St. Olaf College

St. Olaf College challenges students to excel in the liberal arts, examine faith and values, and explore meaningful vocation in an **inclusive, globally engaged community** nourished by Lutheran tradition.

Excellence in the liberal arts is possible only when people of diverse backgrounds, experiences, and ideas come together in a spirit of mutual respect and inclusion. So we strive to be a place of welcome to all. The experience of our founders impels us to advance the ideal of a community where people of all backgrounds and identities belong.

Learning in the liberal arts is intrinsically global and pluralistic. So we emphasize learning in global contexts, and in direct relationships with people around the world. We seek and welcome students and scholars from many countries. We offer rich opportunities for international and domestic off-campus study connected to a curricular emphasis on language, culture, and place.
