

Alternative Project Credit Form

Name: _____

Date: _____

Instructor: _____

Class: _____

In order to receive credit for an alternative video project, you must watch a video in the series “Discovering Psychology” and complete this form. Once completed, deposit this form in the credit slip drop box outside of the Psychology Office (RNS 236).

1. What was the title and number of the video you watched?

2. List the field(s) of psychology that were addressed.

3. Describe the research studies that were examined in the video. Include the names of the experimenters and the year of the study.

4. Define at least two important terms or ideas from the video.

5. Elaborate on something that caught your interest during the video. Explain why it interests you.
