**HOMECOMING AND FAMILY WEEKEND**  
**SCHEDULE OF EVENTS | OCTOBER 8-10, 2021**

## THROUGHOUT THE WEEKEND

### Art Exhibitions

*Flaten Art Museum and Groot Gallery · Center for Art and Dance*

Friday 10 a.m.–5 p.m.; Saturday noon–4 p.m.; Sunday noon–4 p.m.

*Altered Skyline: Brenda Berkman's Thirty-Six Views of One World Trade Center*

Curated by Christina Spiker, Visiting Assistant Professor of Art and Art History

How do we process the individual and collective memories of national trauma? How can we frame these difficult histories while navigating a path towards healing and rebuilding? On the 20th anniversary of 9/11, this exhibition presents a series of lithographs by former FDNY fire officer and 9/11 first responder Brenda Berkman '73 documenting the construction of One World Trade Center in New York City. Berkman deftly weaves our collective memory of the Twin Towers and 9/11 with her personal observations of the changing NYC skyline.
