

**SECTION II: Required Essay Question (10pts./10pts. Total):** Answer the question and aim for roughly 250-300 words. Strong responses will call upon specific terms and concepts from course readings and particular biomes.

Pair Landscape/Biome to key religious/spiritual concepts of course. While crafting a response specific to the place now called Minnesota, consider the following:

- In what ways do our ecological relations have religious dimensions?
- Demonstrate by showing the relationship between two MN biome characteristics with two specific spiritual concepts.
