These can be courses taken to satisfy requirements for the major, to fulfill requirements for an area of emphasis, or as general electives.

All students must complete 6 credits in their major with a “C” or above.

Students studying off-campus, through St. Olaf affiliated programs or at other accredited colleges and universities, may count up to two off-campus courses as level II economic analysis courses towards the economics major requirements. These courses must be approved in advance by the chair of the Economics Department.
