**ADDITIONAL COURSES FOR THE MATHEMATICS MAJOR**

Students arrange a major in mathematics by developing an Individualized Mathematics Proposal **(IMaP)** after consultation with an MSCS faculty member.

This document is intended to serve as an advising tool and is subject to change. It is important for students to meet with Education Faculty regularly to verify that they are satisfying all requirements for licensure and with content faculty to ensure that major requirements are being met. All course substitutions must be documented on a Course Substitution Form and approved by the Director of Licensure.

\* Indicates content courses in which Professional Educator Licensing and Standards Board (PELSB) Standards are embedded.
