- Dean of Students
- Director of Environmental Health and Safety
- Director of Auxiliaries and Buntrock Commons
- Director of Facilities
- Director of Public Relations
- VP & CFO/Risk Manager

Goals & Objectives

Identify & Reduce Risk

Assesses hazards and vulnerabilities, recommends practical mitigation measures before incidents occur

Maintain Effective Plans & Procedures

Clearly defines roles, communication, and response action for emergencies

Ensure Readiness

Coordinates training and exercises so personnel are ready to act

Coordinated Response & Recovery

Efforts are coordinated during and after incidents to limit disruption and restore normal operations as quickly as possible

Emergency Management Committee	President's Leadership Team
Operational and planning body	Senior leadership and governance body
Focuses on preparedness and execution	Sets strategic direction, approves policies and resources
Policy → Action	Decision and accountability level, not day-to-day operations
