

Who We Are

Background

We are a TRIO program providing college preparatory services at:

- St. Paul Community of Peace Academy
- St. Paul Humboldt High School
- Minneapolis Northeast Middle School
- Minneapolis Edison High School

Goals

TRIO Educational Talent Search aims to serve approximately 700 students at 4 target schools in the Twin Cities. Through our programming and partnership with our schools, students succeed in high school, prepare for college, and significantly increase the likelihood that they will enroll and complete postsecondary education.

Program FAQs:

When does ETS programming take place?

Our TRIO ETS program meets exclusively during the school year, holds workshops during the school day, and provides 1 on 1 advising sessions.

What are the requirements to be a part of TRIO ETS?

You must either:

- meet specific income guidelines AND/OR
- come from a family in which neither parent/guardian graduated from a four-year postsecondary institution in the United States

How much does it cost to be a part of TRIO ETS?

Nothing!! All our services and field trips are free of charge!!

What does the application process entail?

If you are interested in applying to be a part of TRIO ETS, participants must complete an application and a parent/guardian form. Please connect with an advisor to get an application!
