## TRIO Educational Talent Search 2023 Mentoring Program Wrap Up and Field Trip Highlights

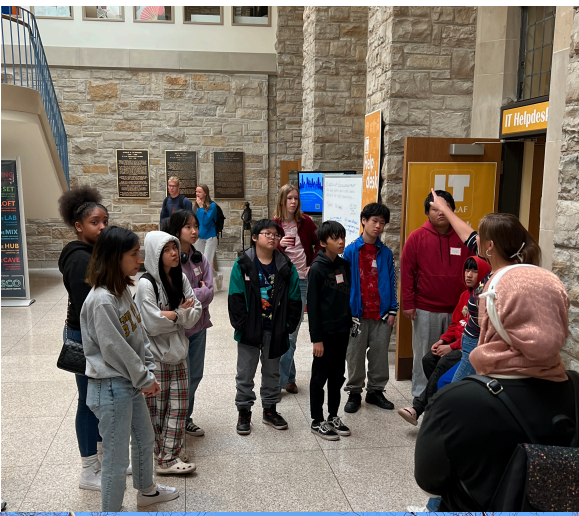

By: Anna Schmid

TRIO Educational Talent Search wrapped up two mentoring programs this year at Humboldt High School, in Ms. Amy and Ms. Wilson's 6th grade English Language Development/ Writer's Workshop, and at Community of Peace Academy in Ms. C-B's 2nd period 9th grade English class. In total, we had approximately 45 amazing St. Olaf College students volunteering as mentors to about 20 mentees at Community of Peace Academy and 25 mentees at Humboldt! This was the second full year we had St. Olaf college students participating as mentors while they were studying abroad in the fall semester, spring semester, and J-term.

We were able to take our Humboldt 6th grade mentees on two field trips this academic year. The first field trip was to the Science Museum of Minnesota, where our 6th grade mentees and college mentors had the opportunity to meet and hangout for the first time, and our second field trip was with our 6th grade mentees visiting St. Olaf! During the visit to St. Olaf on Wednesday, May 3rd the 6th graders got a tour of the campus with their mentors, attended an information session to learn more about St. Olaf, ate lunch in the cafeteria, and spent the rest of the lovely spring afternoon running around the beautiful campus with their mentors, playing games. It was a wonderful way to close out our mentoring program!

We are looking forward to the 2023-2024 academic year to continue our over 30 plus year tradition of the mentoring program at St. Olaf College!

We wish our 2022-2023 St. Olaf TRIO ETS mentors and mentees a great summer and look forward to another incredible year of mentoring program activities. Please check out some photos of our visit to St. Olaf on page 2!

## A Note from Our Director

*"Create the highest grandest vision possible for your life, because you become what you believe" - Oprah Winfrey*

It's hard to believe that we are at the end of the school year. It has gone by incredibly fast, and I am so proud of the successes the ETS scholars have achieved this year! It is my hope that you all will have an amazing summer, get recharged, and be ready for next year because we are going to continue exploring opportunities in career exploration and college preparation.

To our seniors, we want to say congratulations to the Class of 2023! Be proud of your accomplishments! You worked hard this year, and we are proud of you all! Now that you have graduated and participated in TRIO, you can sign up for the National TRIO Alumni Association. Also, over the summer we will be reaching out to see how you are doing, ask if you have any questions, and we can talk more about your future plans. If you have any questions during the summer, do not hesitate to reach out to us.

We are looking forward to the 2023 -2024 school year. See you all in the fall!

# Congratulations Class of 2023!

## Senior Transition Breakfast Events

### Humboldt High School and Community of Peace Academy

By Anna Schmid, Academic Advisor

This was the second year TRIO ETS advisors hosted a Senior Transition Party for our students. Last year was a lunch pizza party and this year we chose to have a morning event with breakfast foods. We hosted the breakfast party at both Humboldt High School and Community of Peace Academy, but next year we hope to host this event at Edison High School as well. The Senior Transition Breakfast Party was an opportunity for TRIO ETS advisors to celebrate the Class of 2023 and their accomplishments. Humboldt's Senior Transitions breakfast was on Tuesday, April 18<sup>th</sup> and Community of Peace Academy's was on Tuesday, May 23<sup>rd</sup>. During the breakfast events, students shared their post-secondary plans and their favorite memories with ETS. We are so excited for all their plans this fall and happy to hear that so many students have decided to attend incredible 2-year and 4-year colleges! During the events, students also participated in a College Transitions workshop where academic advisors talked about the transition from high school to college. ETS advisors provided seniors with individualized resources, personal advice, financial knowledge and strategies they can use to overcome some of the challenges they might face as college students.

Congratulations to all of our ETS seniors! You have all worked hard this year to finish your final year of high school. We are so proud of you! Good luck on your next journey, and even though you will be going on to new adventures, we are still here for you should you need anything. Please feel free to contact your ETS Advisor(s) anytime via email or by phone!

## Northeast Middle Schoolers Visit the University of Minnesota - Duluth

By: Anna Schmid, Academic Advisor

On Tuesday, April 25<sup>th</sup>, TRIO ETS academic advisors took 35 Northeast Middle School TRIO ETS 6<sup>th</sup> and 7<sup>th</sup> graders, along with some Northeast Middle School AVID 6<sup>th</sup> and 7<sup>th</sup> graders, to the University of Minnesota - Duluth. We took a coach bus for the 2 hour drive to UMD and once we arrived we all got to have a delicious lunch in the Superior Dining Center with all the college students. Many of our brave middle school students went and sat with some college students for lunch and asked them about college. After lunch we had a wonderful Admissions presentation, followed by a visit to the Office

of Diversity & Inclusion (ODI). Following those presentations we had a lovely tour to see the beautiful campus of UMD. Before we got on the bus to head back to the cities we got to stop by the American Indian Learning Resource Center (AILRC) to see the space and meet the staff there.

## ACT INFORMATION FOR RISING SENIORS AND JUNIORS

To our Class of 2024 TRIO ETS rising seniors it is not too late to take the ACT again this summer or fall! And to our class of 2025 TRIO ETS juniors, if you want to get ahead and take the ACT before this fall your TRIO ETS Academic Advisors have fee waivers for you to sign up for FREE and we have free practice test booklets, as well as helpful study tip handouts.

To help you alleviate some of the stress of preparing for college, you should start studying and practicing for the ACT now! You can do this by using PrepMe on Naviance or go to <http://www.actstudent.org/>. These tools will help you figure out what subjects in school you may need to improve on. The ACT is a timed test so doing a practice test will help you to manage your time well when taking the actual exam. You can register for the ACT at [www.actstudent.org](http://www.actstudent.org) and don't forget to get your free fee waiver before signing up!

## TRI-State Professional Conference

By: Kali Hickman and Anna Schmid, Academic Advisors

This past April, the St. Olaf TRIO ETS team attended the Tri-State Professional Conference with the Iowa, Minnesota, and Wisconsin TRIO chapters. The conference took place in Des Moines, Iowa at the Marriott Hotel downtown. The theme for the conference was "Honoring the Past. Developing Advocates for the Future". Each team member attended different sessions on a variety of topics, which provided them with helpful information to bring back to our ETS students and to continue to grow as a program. The highlight of all the sessions was our very own St Olaf TRIO ETS academic advisor Kali Hickman and director Juan Telles, who created and presented a session at the conference entitled "Redefining Professionalism: For Ourselves and Our Students". Here is a little bit more information on their session:

*What does it mean to be a "professional"? Is it how you act, look, talk, or what degree you have? Traditional beliefs surrounding professionalism are rooted in discriminatory biases and practices. Embracing this type of professionalism promotes conformity and assimilation into white supremacy culture. This session explores how we, as TRIO professionals, can redefine professionalism in a way that dismantles harmful practices and allows us and our students to show up comfortably and safely as our authentic selves.*

# Humboldt Senior Honors Night

On the evening of Tuesday, June 6th at Humboldt High School TRIO ETS academic advisors got to pick five of our thirty eight TRIO ETS Class of 2023 seniors at Humboldt to honor and present their certificate of excellence awards onstage while sharing why these five seniors went above and beyond this year. They all participated in multiple TRIO ETS workshops, college visits/fairs, and other TRIO ETS sponsored events, and they worked hard to complete their college applications, FAFSA, apply for scholarships, and more.

**Educational Talent Search (ETS)** is a TRIO program funded by the U.S. Department of Education and sponsored by St. Olaf College. The ETS program annually assists 700 middle and high school students as they explore their academic and vocational options and set goals for the future. ETS Academic Advisors, in cooperation with school counselors and teachers, provide college preparatory services through workshops, classroom activities, and group and individual counseling sessions. St. Olaf College Educational Talent Search works at the following five schools: St. Paul Community of Peace Academy, St. Paul Humboldt High School, Minneapolis Edison High School, and Minneapolis Northeast Middle School.
