

Strategic Resource Allocation Project Instructional Program Review Questionnaire

Guiding Principles

- Demonstrate alignment with the College's [Mission and Mission in Practice](#) statements
- Uphold the reputation and quality of the St. Olaf experience
- Contribute to St. Olaf's [Value Proposition](#) for current and prospective students
- Identify strategic opportunities or improvements
- Continue development of the [Strategic Plan](#)

Name and title of the person completing this form: _____

Category 1: Contribution to student learning

Please comment on the evidence provided in your department's or program's data summary (first half) regarding your department's or program's contribution to student learning, the curriculum and high impact practices. (approximately 350 words)

Category 2: Contribution to the work of the college not referenced in Category #1

Please comment on your department's or program's contributions to the work of the college that are not mentioned above in Category #1. Such comments might address contributions to the co-curriculum (i.e. performing arts, language houses), non-instructional programs (i.e. Natural Lands, library collections), special advising such as off-campus programs, and college governance and service (i.e. committees/task forces, placement exams, recruiting students). (approximately 250 words)

Category 3: Distinctive program features

Please address the following questions:

- a) How does your department or program advance the college mission in distinctive ways? (approximately 150 words)
- b) How is your department or program helping to advance increased diversity and inclusiveness among students, faculty and staff? (approximately 150 words)
- c) How does your department or program advance any of the other guiding principles listed above? (approximately 150 words)

Category 4: Program resources

Please comment on the evidence provided in your department's or program's data summary (second half) regarding the resources provided to your department or program. (approximately 250 words)

Category 5: Opportunity Analysis

Please address any of the following questions as applicable:

- a) What existing plans, if any, are there to make changes to your department or program that aim to improve quality, efficiency, and student experience in the future? (approximately 150 words)
- b) To what initiatives could your department or program contribute that would enhance the distinctiveness of St. Olaf College? (approximately 150 words)
- c) To what initiatives could your department or program contribute that would enhance revenues? (approximately 150 words)

Category 6 :

Is there anything else you think the Steering Committee should know about your department or program?

If you have suggestions for containing costs college-wide or that pertain to other departments/program, please go to the [SRAP Suggestion Box](#).

Please submit an electronic copy of the completed questionnaire to rapinstructionalgroup@stolaf.edu

Thank you for your contribution to this critically important process.
