Thank you for submitting your 2020-2021 FAFSA. We are in the process of reviewing your application. However, the Department of Education selects some students for verification, an auditing process where we are required to review certain elements of your FAFSA. Your 2020-2021 FAFSA has been selected for verification.

For the St. Olaf College financial aid office to complete a review of your financial aid application, you must complete this Verification of Non-filing Form. Please complete and return to our office. If you have any questions, please contact your financial aid counselor.

I, \_\_\_\_\_, hereby state I have:

- Attempted to get a Verification of Non-Filing Worksheet from the IRS, but am not able to obtain the required documentation
