

Summary of Career Experiences and Destinations

For St. Olaf history majors, this summary includes **Career-Enhancing Experiences (while at St. Olaf)** (internships, research, employment, etc.), **First Destinations (after graduation)** (work, service, education), and **Employment (10-15 Years After Graduation)**. Complete datasets can be found here ([link](#)).

Career-Enhancing Experiences (while at St. Olaf)

See here ([link](#)) for a list of internships, research, employment, study abroad, leadership, and experiences that graduating seniors reported as being particularly significant for their exploration of careers and professional development. This information was submitted by seniors from the classes of 2016 and 2017.

First Destinations (after graduation)

Summary of first destination information provided by recent graduates from the classes of 2013 through 2016. Over 90% of all graduates complete the survey within seven months of graduation.

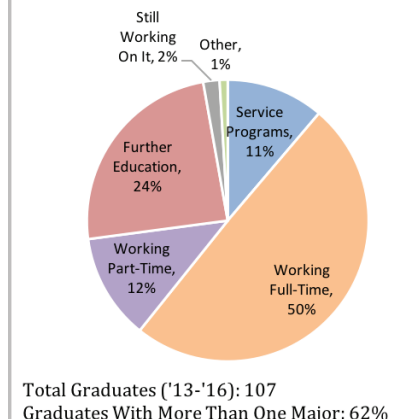

See the First Destinations (Work & Service Programs) ([link](#)) and First Destinations (Education) ([link](#)) for complete lists.
