REQUIREMENTS

COVID-19 Vaccine and Booster Requirement

Like many colleges, St. Olaf is requiring COVID-19 vaccinations for staff, faculty, and students. Being vaccinated is a condition of employment. If you are already fully vaccinated, you will need to show proof before your first day of work. If you are not already fully vaccinated, prior to your first day of work you will need to have started the COVID-19 vaccination process, show proof that you have received the shot(s) prior to your first day of work, and wear a mask on campus until you are fully vaccinated (14 days after completing the full course of a vaccine series). Contact VaccineAccommodation@stolaf.edu if you believe you need a reasonable accommodation because of a disability or a sincerely held religious belief. More information can be found at: <https://wp.stolaf.edu/covid-19/>.

Report your vaccination status here <https://forms.gle/KagFD7CFHk2b93j96>.

Background Check and Training Modules

In our efforts to provide a safe and secure educational environment, St. Olaf College conducts a criminal background check on volunteers as defined above, and as deemed necessary in special circumstances. The request for a background check will be sent to the email address provided. The background check results must be obtained **PRIOR TO THE START DATE**.

Additionally, all volunteers are required to complete two training modules. Ideally, this will occur **PRIOR TO THEIR START DATE**. Instructions for completing the *Sexual Abuse Awareness* and *Understanding and Preventing Sexual Violence* modules can be found here <https://wp.stolaf.edu/hr/prepare-for-your-first-day/>.
