11. How many individuals from this population/these populations would you like to survey? If you plan to survey an entire population of interest (e.g., all students, all faculty/staff), please explain why you believe this is necessary. If you plan to survey a subgroup or sample of an entire population, please describe the group (e.g., all first-year students, 50% of all students, all faculty teaching this semester). *

12. How do you plan to contact your survey population? Have you consulted with relevant individuals or offices (e.g., Dean of Students, Provost, Alumni and Parent Relations) about these plans? *

13. Do you plan to offer any survey incentives (e.g., gift cards, Ole dollars, etc.) for those who complete the survey? If so, please consult St. Olaf's policy on gifts (<https://wp.stolaf.edu/business-office/procedures-for-gift-gift-cards/>)

14. Approximately how long will it take participants to complete the survey? *

15. Who are the key individuals and/or offices that should see the survey results, and how do you plan to share the results with them? Note that if you plan to or may present results outside of St. Olaf, such as at a conference or in a scholarly journal, or post it on a publicly-accessible website, you also must submit an Ethics Plan to the IRB administrator. *

16. Please attach a copy of your survey instrument, if available (or include a link to it in the space below). Otherwise, we can follow up with you at a later point.
