Multiracial	-	-	-	-	-	-	0.4%	1%	2%	3%	4%	4%	4%	3%	3%	3%	3%	5%

<sup>2</sup> Based on [IPEDS](#) reporting categories. The “Multiracial” category was added in 2007 (officially “Two or more races” but coded as “Multiracial” in our databases). An additional race/ethnicity category, Native Hawaiian or Pacific Islander, is also currently used by IPEDS, but due to the very low numbers of students in this category (zero students identifying as such in most cohorts), these numbers are not included.

**Table 3.** Composition of entering student cohort by TRIO eligibility code, 2001-2018 student cohorts

TRIO Eligibility Code <sup>3</sup>	Entering Cohort Year

<sup>3</sup> Some students' designation is unknown, for instance if they do not disclose whether they are a first generation student, or for international students as low income is a federal designation; therefore not all columns will add up to 100%

<sup>4</sup> Student income data not yet available; 2018 data will be added at a later date.

**Table 4.** Proportion of all underrepresented students in the full student body, academic years 2007-08<sup>5</sup> to 2018-19.

<b>All Underrepresented (excluding International students<sup>8</sup>)</b>	28%	27%	27%	28%	29%	30%	31%	32%	34%	35%	35%	

<sup>5</sup> Based on 10<sup>th</sup> day census data; current files begin with the 2007-08 academic year

<sup>6</sup> Student income data not yet available; 2018 data will be added at a later date.

<sup>7</sup> Includes domestic multicultural, international, first generation and/or low income students

<sup>8</sup> International students are still counted here if they are first generation (low income status is not known for international students)
