RELEVANT EXPERIENCE

Education Intern, Metropolitan Museum of Art, New York City, NY July-August 2018

- Developed proposal and organized the completion of a new Art Cart for the museum's ancient Greek and Roman galleries; completed this project through close teamwork with another intern
- Updated and maintained "Art Heart" and "Art Expose" programs through review of existing program material and development of new resources. Included extensive historical and copyright research
- Applied working knowledge of art history to current museum issues

Museum Operations Intern, Chicago Children's Museum, Chicago, IL June 2010

- Worked under the supervision of the Visitor Services Department
- Researched and compiled a report on the museum's accessibility for visitors with disabilities
- Developed a staff training workshop on disability etiquette
- Contributed to the completion of an assessment of visitor surveys
- Broadened understanding of museum management

Administrative Aid /Creative Arts Facilitator, Chicago Children's Museum, Chicago, IL June-August 2009

- Conducted phone interviews and screened references of volunteer applicants
- Completed data entry, systematized volunteer files, wrote and edited letters and documents
- Operated the main multi-line telephone by answering questions of museum visitors and by transferring calls to individual employees or departments
- Supervised creative arts center where children and their families explore through imagination and sensory learning
