Directing Experience

Student Director, Deep End APO, St. Olaf College

February-March 2013

- Directed a production of David Mamet's *Oleanna* through St. Olaf's student theater organization
- Managed a cast of two in addition to collaborating and coordinating with the technical crew on lighting and sound design
- Promoted the production by developing posters and visual publicity with a budget of \$200

Related Experience

Technical Staff, The Lion's Pause, St. Olaf College

September 2012-present

- Set up and repair lighting instruments and sound equipment for theater, concert, and dance productions with a team of 10 technicians
- Promoted to Technical Director for fall semester; assigned roles to the technical team, collaborated with the directors and choreographers to design lighting effects, and coordinated lighting and sound effects during the performances
