(555) – 619 – 0902 | book@stolaf.edu

EDUCATION

St. Olaf College, Northfield, MN
BA, History, Social Studies Education
(License to be granted Summer 2022)

May 2021
GPA: 3.42

TEACHING EXPERIENCE

Student Teacher, 9th Grade
Lakeville High School, Lakeville MN

January - May 2021

- Developed lesson plans for 150+ students, including lessons on economics, demographics, and history
- Implemented student engaged learning activities including oral projects, listening, and writing comprehension
- Created extra credit homework assignments that challenged gifted students and brought better understanding to students having difficulties
- Utilized cooperative learning techniques and provided individual instruction to meet the needs of students with diverse learning styles
- Instituted after-school peer tutoring program to engage students in learning and enhance comprehension of subject material
- Incorporated digital learning tools into curriculum, supplementing class lectures with hands-on learning opportunities
- Served as Assistant Coach for tennis team; planned weekly workouts focusing on skill development and team building

Teaching Assistant, 7th and 8th Grade
Northfield Middle School, Northfield MN

September - December 2020

- Collaborated with 7th grade and 8th grade reading teachers to develop materials for a civics-based unit to be used across the social studies curriculum
- Tutored students in reading both individually and in small groups

LEADERSHIP EXPERIENCE

Peer Advisor/Tutor, St. Olaf Academic Support Center, Northfield MN

September 2018 – December 2019

- Proof-read writing assignments and provided feedback on grammar and structure of content
- Tutored 5+ students for Principals of Economics course bi-weekly

Camp Counselor, Camp Manito-wish YMCA, Boulder Junction, WI

Summers, 2017-2020

- Served on staff as head counselor after 3 summers of serving as a counselor
- Oversaw coordination of activities and programs as planned by counselors; evaluated content for developmentally appropriate themes
- Developed learning goals and objectives for various age groups (ages 5 – 16)
- Dealt fairly and effectively with varying abilities and behavioral issues of campers

OFF-CAMPUS STUDY EXPERIENCE

Multicultural Education, Education Department, St. Olaf College, Honolulu, Hawaii

January 2019

- Examined the influence of race, class and multiculturalism in American schools by participating as a teachers' assistant and tutor in two distinctly different K-12 schools
- Increased knowledge of the challenges and benefits associated with teaching in a diverse racial, cultural, and socioeconomic environment
