### Request to Add or Drop a Major, Concentration or Emphasis for

#### Currently declared majors and concentrations

**Majors:** [Go to Drop Form](#)  
Music Education

#### Add a major

Use this form to add any major, except for Music and Individual Majors.

**To declare or drop a Music major,** go to the Music Department in Hall of Music.

**To declare an Individual Major,** go to the Center for Integrative Studies in Tomson 283 or [email them](#).

When added, majors go through an approval process with a department faculty representative.

Before adding a major, please discuss the requirements of the major with the faculty member you are requesting approval from.

--- Select Major --- ▼

Click to add selected Major and Emphases (No other changes will be applied.)

#### Add a concentration

Use this form to add any concentration.

Concentrations are immediately added upon submission and without faculty approval.

--- Select Concentration --- ▼

Click to add selected Concentration (No other changes will be applied.)

### Add an emphasis

Use this form to add an emphasis to an existing major.

Emphases are immediately added upon submission and without faculty approval.

--- Select Emphasis --- ▼

Click to add selected Emphasis (No other changes will be applied.)

### Drop a major

Use this form to drop any declared major. Any associated emphases will also be dropped.

Drops for majors are immediately performed upon submission. Be careful.

Remember, all Juniors and Seniors are required to have at least one declared major.

--- Select Major --- ▼

Click to drop selected Major (No other changes will be applied.)
