

In response to recent questions that have come up as of late about this semester's grading deadline for seniors, the Emergency Academic Committee (EAC) would like to notify you about a change to the original academic calendar deadlines for all grading, Spring 2020.

The original EAC message about grading stated the following:

Grading Deadline

In order to award degrees and get diplomas and transcripts out to new graduates in a timely fashion, all senior grades are due 24 hours after the final exam period, no later than noon on Thurs, May 21.

**NOW**

**All grades for seniors will be due no later than Mon, May 25th at 4 pm.**

**All other non-senior grades will be due no later than Friday, June 12th at 12 noon.**
