

Registration will be done by class year for the majority of students in two groups.

Your group is randomly selected when you become a degree-seeking student.
For all current students in this next registration period, you will be randomly assigned.

When registering for academic years starting with an odd number (ie: 2021-2022):
Half will register at 7:00 AM for Fall** and 7:30 AM for Interim* and Spring**.
Half will register at 7:30 AM for Fall** and 7:00 AM for Interim* and Spring**.

When registering for Fall, 2021-2022 - this next registration period:

Priority students register starting at 6:30 AM***

Half of each class year will register starting at 7:00 AM

Half of each class year will register starting at 7:30 AM

For the upcoming registration period, current students will learn which group they will be in when the Fall Registration link becomes available in SIS on Tuesday, March 30. Each student's registration day and time will be listed at the top of the page.

Your registration priority will switch semesters during the next academic year.

When registering for academic years starting with an even number (ie: 2022-2023):
