

Service expectations

- Complete a minimum of 4 hours of service per month for a total of at least 32 hours for the academic year. Required service months are: September, October, November, December, February, March, April and May.
- Complete service with a site/organization in Rice County; students should commit to regular and ongoing service with the site/organization.

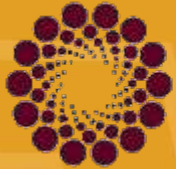

Why 4 hours/month?

- Building relationships
- Deepening understanding of the community
- Sense of ownership
- You are part of this community!
