Students interested in selecting their own roommate, or know someone that they would like to live with should select “Roommate Linking” to be included in the roommate linking process.

Search for Roommate

Once you click “Select Roommate,” it is important to change the term at the top of the screen to “Fall 2026-27.” Once you select this term, a new option will appear on your screen to search for a roommate. NOTE: This option will **only appear** if you have **completed** the Fall 2026-27 Returning Student Housing Agreement!

This is the roommate search tool.

If you know the specific student that you want to link with, you can type in their name.

If you do not know who you want to link with, you can use the roommate questionnaire to filter out students.

Recommendation: Please use 4-5 roommate questionnaire questions to search for roommates. If you use every question, you might not find another student that matches your preferences exactly.

Once you are ready, scroll to the bottom and click "Begin Search"
