

Example Locations for Family Studies Experiential Component

The below list contains examples of places that students within the Family Studies Concentration have gone to complete their 40 hour Experiential Component. Before beginning your 40 hours please reach out to Dr. Erica Kanewischer who is the Director of the Family Studies Concentration or another member of the Social Work and Family Studies Department. This is not a comprehensive list and there are many ways to complete these hours which can fit with your interests and desired experience.
