The purpose of this Student Leadership Council (also to be referred to as SLC) Mission Statement is to provide an outline for the purpose of the Student Leadership Council and ensure that the rules, regulations and expectations of SLC members are known and followed in order to become better leaders.

I. Purpose of the Student Leadership Council (SLC)

- a. SLC's purpose is to serve as a body that represents the interests of the students in the St. Olaf Upward Bound Program, as well as to provide leadership opportunities for those recognized by their peers to be leaders.

II. Election of Members

- a. Members of the Student Leadership Council are to be elected by their peers. The SLC advisors will conduct elections of new members in the fall of each year prior to the fall meeting of SLC. Five new members (one from each school) will be elected in their sophomore year to serve the remainder of their time in Upward Bound. One member will be elected from each class (10th, 11th, 12th) at each school (Central, Creative Arts, Highland Park, Humboldt and Open World Learning). The maximum number of members on the Upward Bound Student Leadership Council is 15*(May have additional members depending on year and necessity).
- b. Should a vacancy occur, that vacancy may be filled only by a student at the same school and in the same grade in which the vacancy occurred, and can be filled in one of three ways, using whichever way is most expedient:
 - i. A vote of SLC at a general meeting, with approval from the SLC advisors
 - ii. A vote of the remaining SLC members at the school at which the vacancy has occurred, with approval from the SLC advisors
 - iii. An appointment by the SLC President, with approval from the SLC advisors
- c. A vacancy on SLC may not be filled if an adequate replacement cannot be found from the same school and in the same class, or if the vacancy occurs in the senior class at the discretion of the SLC President and SLC advisors.

III. Responsibilities of SLC Members

- a. SLC members are required to attend every meeting. If a member is not able to come, they will be responsible for writing a one-page paper on what they thought about the ideas discussed at the meeting. It is the responsibility of the member to get minutes from the last meeting.
- b. If an SLC board member misses more than one meeting, SLC Officers and Advisors will review their case and determine their eligibility to remain on SLC.
- c. SLC members must maintain a C+ average or show great improvement on grades. If not, SLC members may have their membership privileges taken away.

- d. All members must show respect in every way. There will be **NO** tolerance for discrimination of any kind. We are leaders and need to set a responsible example at all times.
- e. It is the responsibility of each member to have a working knowledge of Robert's Rules of Order for Parliamentary Procedure.

IV. Status of Members

- a. Members may be placed on probation in the council.
 - i. This may occur if it is determined by Upward Bound staff that the status of the student in Upward Bound is in jeopardy.
 - ii. This may also occur if the member is not acting in a manner befitting a student leader.
- b. Members of SLC may be removed from their position on the council.
 - i. This may occur only if it is determined by the SLC advisors that the member is either not participating as s/he agreed to do when joining the council, or if the member is acting in a manner unbecoming a member of the Student Leadership Council.
 - ii. Removal may happen after a student has been placed on probation if it is determined by Upward Bound staff that the student has not adequately satisfied the terms of their probation.
 - iii. A student may be removed from the council without first being placed on probation if it is determined by Upward Bound full-time staff that the student is not fit to remain on the council.

V. Roles of SLC members

The roles of SLC members are as follows: represent student's opinions and aim to bring students closer as a community, be involved with orientation for new students* (If need identified), be the voice of the students and leaders, be a bridge between students and staff, and work with staff to help plan activities. SLC members are to act in a manner expected of anyone in their position, and will maintain a positive attitude toward both staff and other students.
